

# Ernest D. Peterson

## Web Developer

Pensacola, FL Phone: 601-307-4377 [Email](#) [Website](#) [GitHub](#) [LinkedIn](#)

My creative nature and my love for technology has lead me to switch careers. My experiences from starting my own business and managing loads, equipment and personnel gives me a good foundation for teamwork and web development.

## Skills

HTML 5 | Javascript/Jquery | CSS 3 | Jasmine Testing | KnockoutJS Framework/Library | Small Business Owner

## Projects

[My Website](#) 2017

- Used HTML, JavaScript/Jquery and CSS to make a fully functioning web site.
- Practical application of the skills learned from Udacity Front End Web Program.

[Neighborhood Map for Udacity](#) 2018

- A challenging project integrating API, JavaScript and KnockoutJS framework.
- Created a Google maps page showing POI and retrieving reviews and street views of locations

[Jasmine Testing for Udacity](#) 2018

- An introduction to test driven development.
- Learned to write effective tests using the Jasmine JavaScript testing framework.

## Experience

**Driver** | Airgas | Star, MS 7/2008 – Current

- Driving and managing multiple deliveries a week for over 9 years successfully and safely.
- Filling in at other locations when needed, providing a model later termed “fast team” by corporate.

**Owner/Operator** | Peterson Transportation | Seminary, MS 4/2003 – 6/2008

- Started my own trucking company.
- Managed leasing, loads, scheduling, bookkeeping and DOT compliance.

**Manager/Driver** | Sanderson Farms| Collins, MS 11/1993 – 10/1999

- Managed a spray crew of 4.
- Became a driver to help get the live haul division started and substituted for managers needing time off.
